*Statement of Reasons for Allowance*

The following is an examiner's statement of reasons for allowance: The art of record does not disclose nor would it have been obvious to a person of ordinary skill in the art to create a container of adjustable volume wherein the container has an expansion element that two side walls, a floor and a front wall panel all permanently fixed relative to each other, the floor remains horizontal and after complete extraction, rests level with the container floor, and the element has a roof which is foldable along a horizontal axis on an upper edge of the front panel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Basil Katcheves whose telephone number is (571) 272-6846. The examiner can normally be reached on Monday-Friday from 7:30 am to 4:00 pm.
